

Fry Words – First 20

CONDENSED LIST

By inserting checkboxes, Dyslexia Connects altered the original Fry's Sight Word format. The Fry's Sight Words are a list of words developed by Dr. Edward Fry, was expanded in the 1950s (and was updated in 1980), based on the most common words that are seen in children's literature. Each of the Fry's sight words are a group of 100 words, which should be available in the following hyperlink: <https://www.sightwordworksheets.com/word-lists> **Key: (Read > ☐ ☐ < 3 Seconds)**
